

# The small school with the **BIG** heart

## ST. CLARE SCHOOL SNAPSHOT

### OUR COMMUNITY

St. Clare is a small school with a big heart. Modern life is sadly often lacking true connections, but here at St. Clare 72% of current St. Clare families call out community as one of their top reasons for attending our school. All are welcome at St. Clare!

### OUR GRADUATES

For parents who value education with personal care, St. Clare is the preferred choice because our graduates navigate the world with clarity and curiosity. They interact respectfully; act nobly; and play, pray, and work with joy.

### OUR APPROACH

At St. Clare, our community is committed to embracing every child's distinct spirit. We believe in teaching Catholic values of compassion and service, and educating the whole child in mind, body, and spirit. The National Center for Education statistics recently reported that students graduating from Catholic schools were nearly twice as likely as their public school counterparts to receive their college degree.

### OUR FACULTY

On paper our faculty is an exceptional group. In person they shine as beacons of education. They care deeply and are committed to continuing to innovate in their classrooms, truly partnering with their students and parents to reach success.

### WHAT MAKES US DIFFERENT

Investments in a comprehensive faculty, service, and community have created accomplished graduates who have their pick of high schools. Our specialized and award-winning instructors in art, library, music, physical education, and middle school math set us apart from other schools. In addition, our learning specialist offers a structure for every student to build on when they need it the most.

### OUR TUITION

St. Clare lies in the medium price range in the local Catholic school marketplace and offers a stellar private education at a small cost in comparison to other private schools. Average tuition is about half the average price of local preschool per year. We encourage inquiries about discounted tuition for registered parishioners and tuition assistance for those who qualify. We wouldn't want you to miss out! We have lots of parents who are happy to share their experience of the tuition assistance process if you would like further insights.
